

St. Mary's Primary School – Lomond Home Learning

Try your best and don't give up!

<p>Literacy – In your writing jotter create your own Superhero character profile. What do they look like? What are their powers? Do they have a Superhero team? Use your wonderful adjectives.</p>	<p>Literacy – Who is your real life hero? Why? What do they do to make them special to you? Write a paragraph about your real life hero. It could be your Mum, Dad or a friend.</p>	<p>Literacy – Read to someone in your home. Remember to think about your character voices.</p>	<p>Literacy – Complete your Sumdog Spelling Challenges. I have set up two each week.</p>
<p>Maths – Go on a measure hunt! Choose at least 5 things/people in your house and measure them. How many pencils tall/long are they? How many hands? How many lego bricks? Now try using a ruler and a measure tape. Can you measure in cm and mm.</p>	<p>Maths – Complete your Sumdog Maths Challenges. I have set up two each week.</p>	<p>Maths – Go for a nature walk/spend time in garden. What can you see? Use tally marks to note how many</p> <ul style="list-style-type: none">BirdsFlowersLeavesInsectsButterflies	<p>Maths – Have a go at online maths games using your Prodigy login or by popping along to https://www.topmarks.co.uk/maths-games</p>
<p>Life skills – help make a healthy meal for your family.</p>	<p>Life skills – create your own game. What are the rules? Can you teach someone at home how to play your game?</p>	<p>Life skills – Help make a shopping list for your family. What healthy snacks can you add?</p>	<p>Health –Complete the Health Week challenges on the blog. Ask an adult to send photos of you taking part in Sports Day.</p>
<p>Art – Design your own Superhero cape.</p>	<p>Technology - Look up the school blog. Ask an adult to take a photo of your learning and email it to Miss Lindsay to share on the blog.</p>	<p>Technology – Make your own video diary. A day in your life. Choose at least 3 interesting things to talk about/show.</p>	<p>Science – Have a go at making your own at home lava lamp. https://www.sciencekids.co.nz/experiments/easylavalamp.html</p>

Listen to the Word Boost story videos sent out by Miss Lindsay. Talk to someone in your house about the story.

In your jotter write down the Word Boost words in the correct colour. Draw a picture for each word?

Remember **NOUN** **VERB**
ADJECTIVE **ADVERB**

Make your own reading space/den. Try to read for at least 10 minutes every day.

Write a sentence for each Word Boost word. Can you use the words in your conversations?

Prodigy and Sumdog have lots of great activities for you to try. You can even challenge your friends.

Take a photo of symmetry in your environment. It could be nature plants/animals or manmade windows/fences.
