

**St. Mary's Primary School - Rannoch Class Home Learning Activities 22.6.20** Try to complete the tasks in your home learning diary, **or take a picture working on your task, or when complete** and send to school at [wlstmaryspol-ps@westlothian.org.uk](mailto:wlstmaryspol-ps@westlothian.org.uk) and it can be placed up on the Rannoch blog!

### Life Skills

#### **'Hitting the Nail on the Head' !**

Can you manage to hit a nail on its head?  
**Ask your parent** to show you how to do it  
and gather the stuff you need!

#### **You will need:**

**A small hammer**

**Some Nails**

**Some bits of scrap wood**

- And plenty Practising!

**Watch this video first!**

<https://www.thechronicle.com.au/news/students-hammer-life-skills-wilson/2322657/>

**Take some photos please!**

### Life Skills

Up-cycling is very much a life-skill- what's this all about? Find out more on the link!

**Click on -**  
[Upcycling a Crate to make a bench!](#)

### Life Skills **Drying the Dishes!**

Do you think you could manage to help Mum & dad with the dishes after dinner on a couple of nights during the week?

**Take pictures of your hard work afterwards!**

### Language

**Listen** to the story about keeping safe in these strange time we live in...it's really good and is called the '**Coronavirus Explained for Kids**'

<https://www.kidshealth.org.nz/resources-help-explain-coronavirus-covid-19-children>

### Language

Write a story about something you have done with your family.  
Draw a picture to go with your story.

**Use your writing jotter in your class pack.**

### Mathematics

Mental maths - Remember Post Sorting on the smartboard? Why not try 'totals less than 20' and take a tally of your scores? Best of 3 - what's your best time?  
<https://www.topmarks.co.uk/Flash.aspx?f=PostSortingcalculationsv2>

Be Creative

- Mrs Hilson has been busy with her children... look at what they have made!

A 2-Seater car made from Junk Cardboard!

How did they make it? Check out the link...
